

OUR 2020-21 CHALLENGE IS FUNDING TO MEET THE INCREASING DEMAND FOR OUR SERVICES 5 DAYS A WEEK DURING THE RESTRAINTS OF SOCIAL DISTANCING DUE TO COVID-19.

TIMBERLINE

ADULT DAY PROGRAM

Our mission is to be a leader providing adult day programs and caregiver respite care in our community.
Our vision is for Timberline to be an integral sustaining member of a healthy community.

THANK YOU! COMMUNITY PARTNERS

Sustainable Financial Management

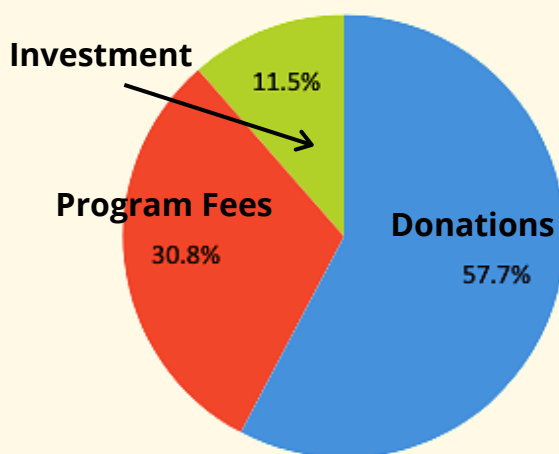

"As a primary caregiver, Timberline gives me the opportunity to have more freedom with my daily errands and leisure activities. For my son, Timberline has given him the opportunity to expand his social interactions and participate in a wonderful variety of activities." *K.K. Frisco*

"Just knowing that my mom can come to Timberline and interact, that she's safe, and they do great activities is wonderful. They went biking. They went on the Georgetown Railroad. Just great activities that get her out and she can socialize with other people is important. I don't feel as guilty knowing that she could just be sitting on the couch in the house all day. *R.B. Silverthorne*

Efficient Use of Funds

Program Funding Requires Community Support

"It's absolutely invaluable. I can't really even express how important it is to have a place like Timberline, and there's so many communities that don't have a place like Timberline." *B.D. Breckenridge*
